

SANFORD SUMMER SESSION 2009

ORIGINAL/MAKE-UP CREDIT AGREEMENT

Any course offered in the Upper School section of the catalog can be taken for original credit, make-up credit or enrichment. Each course consists of two hours of instruction taken over a six-week period and an average of two hours per day of homework. It is our goal to cover approximately the same amount of material in six weeks as is covered in a regular course offering.

Signatures from the student, parent and guidance counselor are required in order to take the class for original credit.

Only one absence is allowed during the summer session.

Student's name _____

School _____

Course _____

Signatures
